MEMORANDUM FOR: Deputy Chief of Staff, Personnel
Headquarters, United States Air Force

SUBJECT: Extension of Assignment

25X1

1. It is requested that the assignment of [redacted] to this Agency, which is due to end 30 May 1959, be extended to June 1960. Attention is invited to the fact that a secretarial waiver of the statutory requirements of Section 8031(a) of Title 10 USC may be required to permit his retention in the Washington area in excess of four years.

25X1

2. [redacted] present assignment in this Agency's air operations involves highly complicated and sensitive activity. Because of circumstances over which we have had no control, the planned pattern of succession of officers in our Air Division has been seriously disrupted. [redacted] retention for an additional year will allow us an essential continuity of operations until newly assigned officers can become fully oriented. [redacted] position with this Agency is commensurate with air operations assignments in the Air Force. It is felt that his retention beyond the four years is not detrimental to his career.

3. It is further requested that consideration be given to extending [redacted] tour for two years beyond June 1960. Such extension is desirable but is requested only if the additional two years is consistent with Air Force plans for this officer. There is a good possibility that should it be convenient for you to extend his tour with this Agency beyond June 1960, [redacted] would be assigned to similar duties overseas with this organization.

b. [redacted] concurs in this request.
